

Turkish Baklava

Stage 4

How to cut baklava into diamonds using a sharp serrated knife

Step 1: Make 9 diagonal cuts. Start at the top right corner and cut diagonally to the bottom left corner. Then make 4 cuts on either side of the longest cut, leaving a 1.5 inch space between each cut.

Step 2: Make 9 more diagonal cuts. Start at the top left corner and cut diagonally to the bottom right corner. Then make 4 cuts on either side of the longest cut, leaving a 1.5 inch space between each cut.
