

Vietnamese Spring Rolls

Stage 1

How to wrap a spring roll
using 22 cm diameter rice paper

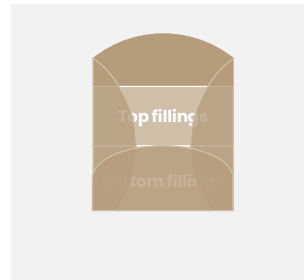

Step 1:
Place the top fillings
in the upper section.

Step 2:
Place the bottom
fillings in the
lower section.

Step 3:
Fold the left and right
sides of the wrapper
over the fillings.

Step 4:
Lift up the bottom
edge of the wrapper
and stretch it over
the bottom fillings...

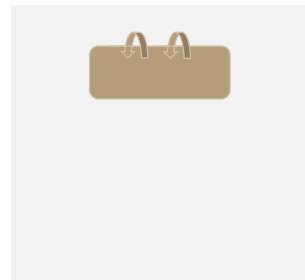

Step 5:
...scrunch the bottom
fillings together, and
tuck the stretched
wrapper over them.

Step 6:
Keeping things tight,
begin rolling the
wrapped section
over the top fillings...

Step 7:
...scrunch the top
fillings together, and
tightly roll the lower
section over the
upper section.

Step 7:
Roll up the entire
parcel into a tight,
neat cylindrical
shape to seal it.
